Preparation & Shipping:

- All skulls must be skinned and frozen prior to shipping.
- Try to cut off as much meat off the skull as possible - eyes, tongue, etc.
- Place frozen skull in 2 garbage bags and seal tightly.
- Tag your skulls for your identification using a waterproof or plastic tag.
- Wrap bagged skull in several layers of newspaper.
- Place newspaper bundle in to shipping box (insulated boxes are best) and surround with lots of newspaper or roll out insulation.
- Include this invoice filled out with appropriate information with your shipment.
- Freeze box and send overnight during summer months, during winter conditions can go 3 day or ground.

Conditions of Acceptance:

- All skulls must have proper game tag identification attached if required for that species.
- Any skulls that exhibit any kind of maggots or decay WILL NOT be beetle cleaned. You will be notified of this and skull can be macerated for an extra 50% or returned to you as is.
- Customer will be notified of skulls that have damage from gunshot or the like and will decide if further cleaning is an option.
- Once skull is cleaned you will be notified. The balance is then due. If remaining balance is not paid within 60days, specimens will become property of Northern Illinois Skull Cleaning & Tanning.

I agree to the above terms and conditions and declare that this specimen(s) was legally obtained.
